

Breakfast, After School Club and Playscheme for all children.

Always has a fantastic time and looks forward to the next.

Parent , 2013

Really happy Matthew is so well looked after and enjoys coming to the Playscheme.

Ms Trevelyan, 2013

'All the children were having a lovely time and as on previous visits the atmosphere is relaxed. The children were able to choose freely their activities'

Play

Play is the most natural way that children and young people learn about themselves and the world around them.

The United Nations states that children have the RIGHT to play.

It helps them develop skills for life:

- Social
- Physical
- Creative
- Emotional
- Intellectual
- Moral
- Spiritual
- Communication

BOSHC fully supports this.
