

<b>Indicator 1: The engagement of all pupils in regular physical activity – kick starting healthy active lifestyle (30 minutes a day)</b>					
<b>Objective</b>	<b>Key Actions</b>	<b>Allocated funding</b>	<b>Actual Funding</b>	<b>Anticipated outcomes</b>	<b>Actual outcome/Impact</b>
Encourage all children year 1-6 to take part in HIIT training.	To buy 'Sport Ambassador' hoodies for year 6 children to help facilitate them as young leaders to encourage rest of school.	£250	£224.30	All children complete HIIT training x4 weekly, use hoodies to encourage leadership amongst year 6 children. To inspire younger children to want to become Sports Ambassadors in years to come. Children to become healthier and fitter.	Brought hoodies for Sport Ambassadors – children very excited and more enthused to help with PE and sporting activities. Increase leadership skills in year 6 children. Health benefit for all children.
Encourage all KS1 and KS2 children to participate in the HIIT training, using music to engage the children.	To buy a portable PA system that allows the children to hear the children leading the training and for music as they participate in the daily HIIT training. The PA system will also be used for Sports Day. Explore the opportunity of purchasing Apple Music, to allow different classes to create a class playlist to help engage them more with the fitness.	£250 £10-15 per month		All children to engage with the daily HIIT training. Children to become healthier and fitter. Hopefully the HIIT training will inspire the children to continue with a physical activity (sports club at school, lunchtime or after school or join a local club). Sports Day been more engaging with the use of music and PA system to communicate with the children and parents.	Increase leadership skills in year 6 children. Health benefit for all children. Improved engagement in the HIIT training – children enjoying the session and the music.
To encourage the use of active learning in the classroom.	To buy 'Maths of the Day' and work with the Maths Coordinator to try and engage the children in active learning in other subjects, as well as PE.	£500	£500	Raise attainment and attitudes towards maths through active lesson plans. Teachers to become confident in delivering active maths lessons. Try to engage children that are kinetic learners, and children that struggle in maths.	
<b>Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement</b>					
<b>Objective</b>	<b>Key Actions</b>	<b>Allocated funding</b>	<b>Actual Funding</b>	<b>Anticipated outcomes</b>	<b>Actual outcome/Impact</b>
To inspire children to participate in sport, and take qualities/values into other school lessons.	To encourage children to work hard in all subjects, by using elite athletes to inspire children to try their best and use values learnt in sport to help them in other subjects. Luke Delahunty (Invictus athlete) visited, completing a fitness session with the children, and then explained his back story and how without his reliance & belief of 'trying and trying again', to become a GB Athlete.	£0		All children to become more supportive, caring and considerate in encouraging and helping others in all lessons, not only in PE lessons or during sports competitions. Children to become inspired to take up a new sport or physical activity – no matter what their ability or health is like.	Celebrate the efforts of children. To raise the level of sportsmanship in school. Highlight the good qualities of athletes and our children.
To continue to provide staff with support via training and lesson support.	King Alfreds – to enable access to free CPD opportunities to teachers and TAs. To have 3 bespoke CPD sessions in school. Staff will be asked what sports they would like to do CPD on, to give them the opportunity to choose their area of development.	£600		Staff to increase confidence profile of different sporting activities raised. Staff to have a better understanding of selected sports and increase their overall knowledge.	
Working towards becoming an active school.	Introduce 'Maths of the day' to teachers. Instruct teachers to complete an active planner for their class – to see areas of inactivity and where teachers can increase children's level of activeness in a day.	£500	£500	Increase the activity levels of children, in lessons that aren't PE. Children to become better behaviour, more engaged, higher levels of attainment and have better health & wellbeing. Confidence in teachers teaching active lessons improves.	Children enjoying being active in maths lessons. Children's behaviour and concentration has improved in lessons. Continue to use Maths of the day at least once a week.
To streamline the assessment format for PE, and track the children's progress in PE more efficiently.	To look into the purchasing of an iPad for PE. The iPad will be primarily used for assessment of learning objectives, by taking pictures using a gold, silver and bronze system related to the objectives. Also use for HIIT training and PE lessons.	£319		Assessment will become an easier and quicker process for staff. Staff will be able to track children's progress in PE more efficiently. Children will enjoy the use of music in the HIIT training and PE lessons. Explore opportunity for children to create class playlist for the HIIT training – to engage all children.	
<b>Indicator 3: Increase confidence, knowledge and skills of all staff in teaching Physical Education and sport</b>					
<b>Objective</b>	<b>Key Actions</b>	<b>Allocated funding</b>	<b>Actual Funding</b>	<b>Anticipated outcomes</b>	<b>Actual outcome/Impact</b>
To ensure that teachers are using planning that allows for progression across school and knowledge of different sports.	Renew PE Planning subscription (September 17 – September 18).	£195		Staff will have increased confidence and knowledge in planning and delivering high quality PE lessons.	Good quality lessons being taught by staff/cover staff. Progression across whole school due to way plans set up. Support given to teachers that are new to teaching PE.
To further the knowledge of PE Coordinator in areas such as active learning, active school planner, how to best spend the PE funding etc.	SW to attend Fortius Primary PE Conference and Oxfordshire PE Conference	£		Staff will have increased confidence and knowledge in planning and delivering high quality PE lessons.	SW found new areas of focus for schools PE. Explore the introduction of 'Maths of the Day' and more active learning into the school.
Increase opportunities for children and give opportunity for teachers to observe/learn from specialised coaches.	Chance to Shine Programme – 2 year Cricket programme. OSAA – Specialist Football Coaches.	£27.50 per session	On going	Children and Staff will have increased knowledge and skills in sports that aren't covered in our scheme of work. OSAA are working to team-teach with staff, who teach PE lessons, to help build confidence, increase understanding/knowledge and improve the quality of PE lessons.	
<b>Indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>					
<b>Objective</b>	<b>Key Actions</b>	<b>Allocated funding</b>	<b>Actual Funding</b>	<b>Anticipated outcomes</b>	<b>Actual outcome/Impact</b>
To develop further the resources and equipment available to use in PE.	Continue to update, repair, and replace PE equipment –	£2000		Staff and children will have access to up to date equipment that is safe and relevant to the curriculum.	
To provide children with a broader range of sports, coached by specialist coaches.	Extra coaching opportunities for children – cricket (continued coach after success of Chance to shine programme), football (external sessions), hockey (attending specialist coaching session), tennis (extra sessions after programme) and street hockey (new sport for children to experience).	£		Staff will have increased confidence and knowledge in planning and delivering high quality PE lessons. Also gives children opportunity to experience a broader range of sports that our curriculum might not cover.	Good relationships built with external companies – considering more specialist coaches coming into school to deliver sessions and run after school clubs.

To provide children with a wide range of extra curricular clubs.	Rugby League Inspires – Rugby. OSAA – Football and Rugby. Staff led clubs: ML – Netball. SW – Handball and Gymnastics. JC – Dance	£300 £30 per session £0	£300 On going	Rugby League Inspires will be delivering after school club to increase children's knowledge of Rugby and deliver a fun session for the children. OSAA will be delivering a lunch time and after school club to increase children's knowledge of Football and deliver a fun session for the children. Taken over Rugby as well.	Cancelled Rugby League Inspires – after children reporting they were not enjoy the sessions. Changed to OSAA teaching Rugby as well as Football. Children now enjoying the sessions again. Look to reassess at Easter.
<b>Indicator 5: Increased participation in competitive sport</b>					
<b>Objective</b>	<b>Key Actions</b>	<b>Allocated funding</b>	<b>Actual Funding</b>	<b>Anticipated outcomes</b>	<b>Actual outcome/Impact</b>
To ensure children are taking part in competitive sport within WOSP and beyond.	Employ Danny Taylor to run competitive events as part of the WOSP Competition.	£		Children to take part in events such as swimming, football, cross country etc. Danny to support PE Coordinator with the running of competitive sport competitions in school.	Enjoyment of participation in competitive sports. More competition available for children outside of school. More children and parents enthused for them to take up a sport in their own time.
To ensure that children can take part in sports events.	Supply cover to allow for children and staff to take part in sport events (swimming, sports athletics) throughout year.	£600 (£110 for half a day/ £175 for a whole day)		Children able to compete in external competitions and enter new sporting events. Also allows for PE Coordinator and other teachers to take children to competitions. PE Coordinator able to have supply cover, to organise more events and competitions for children to participate in.	
To ensure that children can attend sport competition and events – be able to increase the amount of children attending.	Transport to competitions (hiring of coaches, meaning that we can take more children to events) and entry fee to tournaments (continuing to push girls sport).	£1500		More children are able to compete in sport competition, with the school being able to enter A, B and C teams.	

**Use of Sports Premium Funding Report for 2017/18**

This year, schools have received PE and Sport Funding. This funding must be used to fund improvements to the provision of PE and sport, for the benefit of primary aged children, in the 2017 – 2018 academic year so that they develop healthy lifestyles.

We will receive £19000.
